REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Member
Water Tower Securities, LLC

We have audited the accompanying statement of financial condition of Water Tower Securities, LLC (the "Company") as of December 31, 2007, and the related statements of operations, changes in member's equity and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Water Tower Securities, LLC as of December 31, 2007, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II and III is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

WATER TOWER SECURITIES, LLC

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2007

NOTE 1. SIGNIFICANT ACCOUNTING POLICIES

Operations

Water Tower Securities, LLC (the "Company") was organized in the State of Illinois in 2002. The Company operates as a broker-dealer in securities and is a member of the Financial Industry Regulatory Authority ("FINRA"), formerly the National Association of Securities Dealers ("NASD"). The Company has been inactive since its organization.

Cash

The Company considers cash to include highly liquid investments with purchased maturities of three months or less.

Accounting estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at December 31, 2007, and revenues and expenses during the year then ended. The actual outcome of the estimates could differ from the estimates made in the preparation of the financial statements.

Clearing arrangements

The Company has an agreement with Goldman Sachs Execution and Clearing LP to provide execution and clearing services on behalf of its customers on a fully disclosed basis.

Income Taxes

The Company is treated as a partnership for federal income tax purposes and does not incur income taxes. Instead, its earnings and losses are included in the personal return of the member and taxed depending on the member's personal tax situation. The financial statements do not reflect a provision for income taxes.

Government and Other Regulation

The Company's business is subject to significant regulation by various governmental agencies and self-regulatory organizations. Such regulation includes, among other things, periodic examinations by these regulatory bodies to determine whether the Company is conducting and reporting its operations in accordance with the applicable requirements of these organizations.

WATER TOWER SECURITIES, LLC

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2007

NOTE 1. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

New Accounting Pronouncements

Fair Value Measurement

In September 2006, the Financial Accounting Standards Board ("FASB") issued FASB Statement No. 157, "Fair Value Measurement" ("Statement 157"). Statement 157 defines fair value, establishes a framework for the measurement of fair value, and enhances disclosures about fair value measurements. Statement 157 does not require any new fair value measures and is effective for fair value measures already required or permitted by other standards for fiscal years beginning after November 15, 2007. The Company is required to adopt Statement 157 beginning on January 1, 2008. Statement 157 is required to be applied prospectively, except for certain financial instruments. Any transition adjustment will be recognized as an adjustment to opening retained earnings in the year of adoption. On February 12, 2008, the FASB issued FASB Staff Position ("FSP") No. FAS 157-2, "Effective Date of FASB Statement No. 157." This FSP is a one-year deferral of Statement 157's fair-value measurement requirements for nonfinancial assets and liabilities, except for items that are recognized or disclosed at fair value in the financial statements on a recurring basis (at least annually). The Company is currently evaluating the impact of adopting Statement 157 on its results of operations and financial position.

The Fair Value Option for Financial Assets and Financial Liabilities

In February 2007, the FASB issued Statement of Financial Accounting Standards No. 159, "The Fair Value Option for Financial Assets and Financial Liabilities – including an amendment of FASB Statement No. 115" ("Statement 159"). Statement 159 gives the Company the irrevocable option to carry most financial assets and liabilities at fair value that are not currently required to be measured at fair value. If the fair value option is elected, changes in fair value would be recorded in earnings at each subsequent reporting date. SFAS 159 is effective for the Company's 2008 fiscal year. The Company is currently evaluating the impact the adoption of this statement could have on its financial condition, results of operations and cash flows.

NOTE 2. RELATED PARTY TRANSACTIONS

On April 22, 2004, the Company entered into an agreement with Guzman & Company ("Guzman"), a company related by common ownership, that is also a registered broker-dealer. Under the terms of the agreement, the Company will refer its institutional customers to Guzman for execution services. The Company will pay Guzman a \$0.02 per transaction fee plus 50% of the commissions received by the Company in excess of \$0.02 per share from transactions executed by Guzman on behalf of the Company. In addition, Guzman will provide the Company with rent-free office space, free use of certain computer and office equipment and make available the services of a Chief Financial Officer and another employee of Guzman at no cost to the Company.

WATER TOWER SECURITIES, LLC

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2007

NOTE 3. NET CAPITAL RULE

The Company, as a registered broker-dealer in securities, is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1) that requires that the Company maintain "Net Capital" equal to the greater of \$5,000 or 6-2/3% of "Aggregate Indebtedness", as defined. At December 31, 2007, the Company had net capital of \$48,284 which was \$43,284 in excess of its required net capital of \$5,000. The ratio of aggregate indebtedness to net capital should not exceed 15 to 1. At December 31, 2007, the ratio of "Aggregate Indebtedness" to "Net Capital" was 0.04 to 1.

ACCOMPANYING INFORMATION

WATER TOWER SECURITIES, LLC

SCHEDULE I COMPUTATION OF NET CAPITAL UNDER RULE 15c3-1 OF THE SECURITIES AND EXCHANGE COMMISSION AS OF DECEMBER 31, 2007

CREDITS	
Member's equity	<u>\$ 48,284</u>
DEBITS	-
TOTAL DEBITS	<u>-</u>
NET CAPITAL	48,284
MINIMUM NET CAPITAL REQUIREMENT	
6-2/3% of aggregate indebtedness of \$2,000	
or \$5,000, whichever is greater	<u>5,000</u>
EXCESS NET CAPITAL	<u>\$ 43,284</u>
RATIO OF AGGREGATE INDEBTEDNESS	
TO NET CAPITAL	<u>0.04 to 1</u>
AGGREGATE INDEBTEDNESS	
Accrued expenses	<u>\$ 2,000</u>

SCHEDULE II RECONCILIATION OF COMPUTATION OF NET CAPITAL UNDER RULE 15c3-1 OF THE SECURITIES AND EXCHANGE COMMISSION TO COMPANY'S CORRESPONDING UNAUDITED FORM X-17A-5, PART II FILING AS OF DECEMBER 31, 2007

There are no material differences between the above computation and the Company's corresponding unaudited Part II of Form X-17A-5 as of December 31, 2007.

WATER TOWER SECURITIES, LLC

SCHEDULE III

**STATEMENT ON EXEMPTION FROM THE COMPUTATION FOR DETERMINATION
OF RESERVE REQUIREMENTS AND INFORMATION RELATING TO POSSESSION
OR CONTROL REQUIREMENTS UNDER RULE 15c3-3 OF THE SECURITIES AND
EXCHANGE COMMISSION AS OF DECEMBER 31, 2007**

The Company is exempt from Rule 15c3-3 under (k)(2)(ii) because all customer transactions are cleared through other broker-dealers on a fully disclosed basis. During the year, the Company did not hold customers' funds or securities.

SUPPLEMENTARY REPORT

***REPORT ON INTERNAL CONTROL REQUIRED BY
SECURITIES AND EXCHANGE COMMISSION RULE 17a-5(g)(1)
FOR A BROKER-DEALER CLAIMING AN EXEMPTION FROM
SECURITIES AND EXCHANGE COMMISSION RULE 15c3-3***

To the Member
Water Tower Securities, LLC

In planning and performing our audit of the financial statements and accompanying information of Water Tower Securities, LLC (the "Company"), as of and for the year ended December 31, 2007 in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities Exchange Commission ("SEC"), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

To the Member
Water Tower Securities, LLC
Page Two

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with accounting principles generally accepted in the United States of America such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities and Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2007, to meet the SEC's objectives. This report recognizes that it is not practical in an organization the size of Water Tower Securities, LLC to achieve all the segregations of duties and cross-checks generally included in a system of internal control and that alternatively greater reliance must be placed on surveillance by management.

This report is intended solely for the information and use of the Board of Directors and the Company's member, management, the Securities and Exchange Commission, the Financial Industry Regulatory Authority, and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
